

TEMPORARY NOISE PERMIT APPLICATION

Temporary Noise Permit Eligibility:

Fee: \$50/permit - Application shall be submitted at least ten (10) business days prior to the date on which the noise will commence. Per Chapter 94. Noise Control of the City's Code of Ordinances, the following persons or entities may apply for a temporary permit to create or allow a noise which would otherwise be prohibited: (Please check all that apply to this application).

- Construction:** A person or entity seeking a permit for the noise generating construction activities prohibited without such permit in Section 94.03 (Section 94.03 states, "Operating, or permitting the operation of, any tools or equipment used in construction, drilling, or demolition work may not occur between 6:00 p.m. and 7:00 a.m. the following day, November 1st through March 31st, or between 8:00 p.m. and 7:00 a.m. the following day, April 1st through October 31st, in such a manner that the sound therefrom creates a Noise Disturbance across a residential Real Property Boundary.");
- Special Event:** A person or entity which has applied for a special event (temporary use) permit from the City and seeks to be allowed to use sound equipment creating noise which exceeds the decibel levels permitted by this Chapter or a Noise Disturbance during the special event; or
- Music Venue:** A music venue located on non-residential property and the location at which the sound will be generated is more than 200 feet from any residential property line, which seeks to use sound equipment outdoors creating noise which exceeds the decibel levels permitted by the City or a Noise Disturbance.

TEMPORARY NOISE PERMIT APPLICATION

General Information

What is the nature, location and zoning district of the business establishment, special event or construction related activities?

Nature: _____

General Location On-Site: _____

Subject Site's Zoning District: _____

Is the site adjacent to or in close proximity to residential uses? _____

Identify the date(s) and time(s) in which noise will be generated.

Date: _____ Time: _____

Date: _____ Time: _____

Date: _____ Time: _____

Identify the maximum decibel level that will occur. _____

Per Chapter 94, decibel shall mean the sound pressure level as measured by a sound level meter using the "A" weighting network and the slow meter response as specified by the American National Standards Institute (ANSI).

Is sound to be amplified? _____ If yes, identify the type of amplification: _____

Will the event be held indoors or outdoors? _____

If the event a fundraiser, please identify the beneficiary's information.

Beneficiary's Name: _____ Phone #: _____

Address: _____ Email Address: _____

On a separate sheet, please provide a sketch of the proposed site layout and show and label the following:

- Property boundaries
- Location, orientation, and type of sound generating devices and approximate distance from all property lines (Specifically identify the distance measured in feet.)
- Location of any proposed sound barriers

TEMPORARY NOISE PERMIT APPLICATION

Please address the following questions. A separate attachment may be provided.)

1) Reason for which the permit is requested, including the hardship that will result to the applicant, the business owner, property owner, or the public if the permit is not granted.

2) Why do you NOT expect to be able to comply with the noise disturbance and maximum noise levels in accordance with the City’s Noise Control Ordinance?

3) Identify actions planned by the applicant/organization to reduce or mitigate for the expected noise levels. (i.e., time restrictions, location and orientation of sound generating devices, notification of adjacent property owners, noise levels during event will be monitored by a sound level meter set to for A-weighting on slow integration speed, sound barriers, etc.)

TEMPORARY NOISE PERMIT APPLICATION

The Applicant, Business Owner, and the Property Owner agree to comply with the Noise Control Ordinance of City of Pflugerville and any conditions and stipulations of a temporary noise permit, if granted. As a condition of permit issuance, the applicant agrees that the permit may be revoked by the Building Official if the terms of the permit are violated; if it is learned that there were material misrepresentations made in the permit application; or if there is a material change in any of the circumstances relied upon by the Building Official in granting the permit.
